Submitted with reference to G.R.E.D. NO.MBC 2163 dt 5-9-53 Please see also the D.B.C.W's letter at p.1/c.

2. In the circumstances explained by the D.B.C.W. in his letter at p.1/d he may be authorised to allow Shri Majmudar to state a hostel for the benefit of the children of ex-Criminal Tribes at Ahmedabad instead in the Baras-Kantha Dist, as stated in scheme No. 4 accompanying G.R.E.D.NO.MBC 2153 of 5-9-53.

3. As regards the hostels to be opened in Karnatak, it may be stated that it is the policy of Govt. to open hostels through vol. agencies as far as possible. However, if no reliable Vol. agency comes forth to take up this work Govt. may consider the question of opening these hostels through the D.S.B.S. the D.B.C.W. may therefore be requested to inform Govt. may consider the question of opening these hostels through the D.S.B.S. The D.B.C.W.-m- of the result of his negotiations with the Vol. agencies in that area in the first instance.

Submitted with reference to G.L. at p. 5/C. Pl.

2. From the D.B.C.W.'s letter at p.7/c. it appears that no reliable voluntary agency is likely to come forth to open hostels for the pupils belonging to the Ex. Criminal Tribes at Indi in Bijapur Distt. and at Khanapur in the Belgaum District during the current year. In these circumstances, there seems to be no other alternative but to explore the possibilities of opening these hostels through the agency of the D.S.Bs.

3. From G.R.E.D.NO.MBC.2153^{At 5-7-53}, it will be seen that Govt. has made provision for opening of 5 hostels for the benefit of the ex-Criminal Tribes children at full cost basis i.e. at Rs. 7200/- for each hostel. Through the opening of hostels through the D.S.Bs is little more costly than opening them through the vol. agencies; it may not be difficult for the D.S.Bs. to manage the hostels within the amounts provided. The provision in this respect has been made under "47- Misc. Deptts-H-Misc.-H 4-B.C.W.-4(6) Grants-in-aid Contributions etc.". If the hostels are opened through the agencies of the D.S.Bs. the expenditure would be debitable to the head "37-Education-E-General S.1-Ameliorative Measures for B.Cs. (12)- Maintenance of B.Class Hostels". The D.B.C.W. may be asked to surrender the provision of Rs. 14400/- and the D.E. may be requested to open hostels at Indi and Khanapur through the respective D.S.Bs. and to meet the expenditure from the grants placed at his disposal during the current-year by reappropriation or redistribution of grants under "37-Education", as the case may be. In case he finds it difficult to meet the expenditure from the sanctioned grants, the actual expdn.

from the sanctioned grants, the actual expdure. On the maintenance of these two hostels which may not exceed Rs.7000/- or Rs.8000/- for the remaining period of the year may be provided by a supplementary demand. to be presented in the next (1954) session of the L.A.

4. In case it is possible for the D.E. to meet the expenditure from the sanctioned grants under '37-Education', it is presumed that it is not necy. to present a token supplementary demand in respect of this expenditure because it has already been brought to the notice of the L.A. in its autumn session of 1953 but under a different head of account (Vide Demand No.21 pp. 121-123 of the supplementary statement of Expdre. for the year 1953-54). The F.D. may be requested u.O. to confirm the presumption, if correct.

5. This will also mean a change in the scheme NO. 4 and the same will have to be communicated to the Govt. of India, This may, however, be done only when the hostels are actually opened.

6. Subject orders, the draft letter and endt. at p.9/c may issue after u.o.r. to the F.D.

Id/-

10-10-53.

The hostels may be opened thro the DSBS. If a vol. agency comes up, they may later be transferred to it.

The D.B.C.W. may pay grant to the D.S.BSS. for starting the 2 hostels from the provisions at his disposal under "47-Misc.H.4 B.C.W." It will not thereby be very to ask for a supply demand I debit the expdr. to the Contingency fund ^{fill} ~~file~~ the supplementary demand is sanctioned. Action on similar lines was taken 2 years ^{ago} back when 4 hostels maintained by the ^{D.C.B} ~~D.B.C.~~ A'nagar, were transferred to a vol-agency. In that case the D.E. was authorized to pay grant to the vol-agency from the provision under his control under "37-Eder." Action vice-versa will have to be taken in the personal case.

The F.D. may see ulc. as proposed.

2. It has been suggested that the S.C. Federation and the Rayat Shikshan Sancha may be contacted with a view to ascertaining whether they are willing to run these hostels. The commissioner for S.C. and S.Ts in his discussions with the Secy. E.D. on 4-11-53 has observed that the Rayat Shikshan Sancha is doing good work and its co-operation may be invited. It is for the orders of Govt. whether these two bodies may be approached in the matter.

3. Subject to orders on para 2 above, the draft letter and endt. as revised at pp. 9-10/c may issue.

Id/- 17-11-53.

The activities of the S.C. Federation are confined only to the Scheduled castes. Excepting the Mangarudis, no other, S.Cs are inhabited in the list of Ex. Cts the S.C. Federation need not therefore be consulted.

2. I doubt whether the Rayat Shikshan Sancha works in the Bijapur Distt. It might be able to start a hostel in the Marathi Part of the Belgaum Dist. If it is asked now to select suitable place to start a hostel it is very likely that the hostel may not be started at all during the current year. The D.S.B. may therefore be asked to open the hostel and it may be handed over to this Sanstha or any other vol. agency in the course.

3. Please see Shri Karkhanis's letter at p.3/c. It will be clear therefrom that Indi is not at all a suitable place for starting a hostel for ex. Sts. we need not fetter the discretion of the D.S.B. concerned by recommending any particular place for starting the proposed hostel, the D.S.B. may be asked to open the hostel at any suitable place in the Dist. where about 30 pupils from Ex. Cts. are likely to join.

2. The proposal made by the D.E. at 'A' on p. 15/c seems to be reasonable and may be accepted. The result of the D.E.'s proposal is that there will be an addl. expenditure of Rs. 1640/-/- (Rs. 8840/- expdr. sanctioned for ~~opening of a hostel~~ ^{a B.C.L +} minus Rs. 7200/- expdr. sanctioned for opening of a hostel for ex. C.T. Pupils. through vol. agencies on grant-in-aid basis). in respect of each of the two hostels at Indi and Khanapur. As no reliable vol. agency has come forth to start the hostels, the addl. expdr. seems to be inevitable. The total expdr. required for running the two hostels during the remaining period of the year may be to the issue of Rs. 5170/- (Rs. 4170/- recurrent plus Rs. 1000/- non recurrent) which is much below the limit of Rs. 9600/- at 2/3rd of the total expdr. of the hostels on grant-in-aid basis. As the entire expdr. is to be met from the Govt. of India grant, the addl. expdr. may be admitted. Subject to orders, the draft letter and endt. at p. 17/c may issue. In view of the urgency the mps. may be marked to the A.S.F.D.

Subject:- Scheme No. 4.
Provision of Hostel.

Reference Government Resolution, Education Deptt.
No. LBC.2153 dated the 5th September 1953.

2. The following persons have already been requested to start the 5 Backward Class Hostels for the use of the ex-Criminal Tribe children in Bombay State :-

- (1) Shri P.L.Majmudar, Vice-President, Gujarat Harijan Sevak Sangh, Ahmedabad.
- (2) Shri V.N.Barye, President, Maharashtra Prantik Harijan Sevak Sangh, Dhulia.
- (3) Shri G.G.Karkhanis, President, Harijan Sevak Sangh, Karnatak Pradesh, Bitalpur.

S.Nos. 1 & 2 have been making efforts to start the Hostels and they have again been expedited to start them immediately as the scheme in this connection has now been sanctioned by Government, and funds for the same are provided.

Shri Majmudar now informs me that first he thought Thakardas who are in large numbers in Banaskantha Dist. would be considered as ex-Criminal Tribes and he had shown willingness to start a Hostel for them in Banaskantha dist. as resolved by the Backward Class Board meeting of 15-4-1953. However, as Thakardas (Thakurs) are considered to be non-Ex-Criminal Tribes the only ex-Criminal Tribes people to be found in large numbers one place in Gujarat is of A'bad (i.e. the chharas of A'bad) He, therefore, at Banaskantha. This change of venue to a Backward Class Hostel for ex-Criminal Tribes of Gujarat from Banaskantha dist to Ahmedabad may please be approved, so that I shall write to Shri Majmudar to push on with the work.

< (i.e. the chharas of A'bad) He, therefore, consents to start a Hostel for them at A'bad instead of at Banaskantha.

S.No. 3, Shri G.G.Karkhanis, has expressed his inability to open the two hostels viz. one at Indi, Dist. Bijapur, and the other at Khanapur, Dist. Belgaum, A

A copy of his letter is enclosed. There are apparently no other recognised Voluntary agencies in Karnatak which is willing and fit to start Hostels. I have, however, requested Shri F.D.Ghodke, M.L.C., Hubli, to inform if he would be able to start Hostels in these places, and also to ascertain if there are any reliable Voluntary Agencies which are fit for taking up the starting of the Hostels. But it seems doubtful if any such bodies would be available. I will inform the result of my enquiries in this respect to Government in due course.

3. In case no reliable Voluntary Agency is forthcoming for the purpose, the other alternative would be to open them through the District School Boards. If Govt. agree, i.e. of starting the two Hostels in Karnatak through the respective District School Boards, I will request the Director ~~respective~~ of Education, to take further necessary action in the matter.

4. Very early orders of Government are solicited.

Sir,

Please refer to your letter No. AM/XIV/SR-41/259
of 13th June 1953 and our letter No. 83 of 53-54 dated
24-6-1953.

In continuation of our letter referred above, I
beg to state the following things on the 3rd of this
month, I paid a visit to Indi. I saw there some local
leaders, the President and the Secretary of the Taluka
Congress Committee, Responsible Govt. persons and Shri
H.K. Supur, M.L.A. who hails from Indi proper, I explain-
ed in details the object of my visit. All of them told
me that Indi was not a suitable place to open such a
school. In my letter above mentioned I had written the
same to you. By reasons are as follows -

(1) The Ex.Settlers are scattered in the villages
on account of finance condition and it is welnich
impossible to trance them.

(2) Out of the same two to three hundred settlers,
some eight to ten families are living near or in the
neighbourhood of Indi and in a talk with some ten per-
sons, it came out that they were unwilling to send their
children to the hostel, as they being earning hands.

(3) A suitable building capable of accommodating
25 to 30 inmates is not available here.

(4) Suitable and sufficient water-supply near and
hostel cannot be found here.

A copy of Government Resolution, Education Deptt. No. MBC 2153, dated the 5th September 1953 sanctioning the scheme for provision of hostel facilities for pupils belonging to ex-criminal Tribes for implementation during the current financial year is enclosed. It was thought that it would be possible to persuade voluntary agencies to open the new hostels sanctioned in the said Government Resolution. ~~It has, however, been found that no reliable Resolution.~~ It has, however, been found that no reliable voluntary agency is willing to start the hostels at Indi in the Bijapur District and at Khandesh Khanapur in the Belgaum District on grant-in-aid basis. Government has therefore decided that hostels should be opened at those two places through the respective District School Boards. You are, therefore, requested to issue instructions to the Administrative Officers of the District School Boards concerned to take immediate steps to open the hostels during the current year. If voluntary agencies come forth to run these hostels. Government will consider the question of transferring them to such agencies for maintenance on merits. The hostels need not necessarily be opened at any suitable place in the District where sufficient number of Ex-Criminal Tribe pupils is likely to be available

Specifically at these two places they may be opened

In these circumstances, as there is no likelihood of
any reliable voluntary agency coming forth to take
up this work, Government may consider the question of
opening these hostels through the District School
Boards. A reference in this connection is also invited
to my report of even number dated the 1st October 1953
bearing on the same subject.

If Government agrees with the proposal for open-
ing these hostels, through the District School Boards
the Director of Education, Poona may please be instru-
cted to take immediate steps in the matter as six months
of the year have already passed.

-----.

In Government letter, Education Department, No. KBC 2153/55043-II dated 19-11-1953, Government have directed that two hostels should be opened for the children of Ex-Criminal Tribes through for the District School of Boards Bijapur and Belgaum and accordingly the Administrative Officers, District School Boards, Bijapur and Belgaum have were instructed to take immediate steps to open the hostels. The administrative officers, District School Boards, Bijapur^{and} Belgaum have submitted their estimates ~~grants.~~ The Administrative of expenditure to this office requesting to sanction grants. The Administrative Officer, District School Board, Bijapur requests to sanction Rs. 1000/- for non-recurring expenditure viz for the purchase of utensils and other Dead Stock articles. The Administrative Officer, District School Board, Belgaum has submitted his estimates amounting to Rs. ²⁷⁹⁵~~2975~~/- which are generally on the lines of expenditure admissible for a Backward Class Hostel Opened under the P.W.R. Scheme except the Superintendent's allowance and stipends which are calculated at the rate of Rs. 15/- p.m. and Rs. 20/- p.m. per inmate respectively. In scheme No. 4 framed by Government stipends are sanctioned at a flat rate of Rs. 20/- p.m. per inmate but this has been done on the understanding that hostels will be opened through the voluntary agencies.

As the hostels are to be opened through the District School Boards now I recommend that the expdr. for running the hostels for Ex-Criminal Tribes may be sanctioned on the same basis as that sanctioned for a Backward Class Hostel opened under the P.W.R. Scheme vide Government Resolutions, Education Department, No. 7719 dated 14-9-1949 and 6*1-1950.

Immediate orders are requested.

2. From the Constitution (d) in the letter No. 51/53-Public dated the 11th, Sept. 1953, it will be seen that it is permissible to sanction 25% of the amount of the Scheme as advance grant after it is approved by Govt. Govt. has already approved the scheme for starting hostels for the public belonging to ex-criminal Tribes. The question of submitting the names of personnel to Govt. for approval does not arise in respect of this scheme. The D.B.C.W. may therefore be authorised to pay advance grant of Rs. 1800/- to the vol. agencies starting hostels, The actual payment should however, be made when the supplementary appropriation Bill is enable-and enacted and authenticated by the Governor, Ref. to the F.D. does not seem to be necessary the draft letter at p. 5/d is for approval.

(vide condition A on p.1/d of L.F.II) secondly, the schemes are being financed on full cost basis. This is contrary to condition F at p. 1/c of L.F II we have already proposed to move the G. OF-I. in the matter vide draft letter at p.5/c of L.F.II To be on the ^{safer} side, we may write to the G.O.F I. that the voluntary agencies which are entrusted with the implementation of these two schemes have asked for advance grant, that as the implementation of the scheme should not be delayed such advance grants are being sanctioned in anticipation of G. of I. approval, and that the schemes in respect of which the advance grant is proposed to be sanctioned were

3/- Though it is not necessary to sanction advance grants for the appointment of propaganda workers appointed by Voluntary Agencies under Scheme No. 13, it is quite essential to sanction advance grants for starting the hostels for ex. Criminal Tribes children under Scheme No. 4.

2. The Govt. of India have decided that where the schemes for the welfare of the Ex.C.Ts. are entrusted to any non-official organisations the conditions mentioned in the letter at page 1/c should be strictly enforced.

3. As regards condition (a), it may be stated that this Govt. has framed definite schemes and forwarded them to the Govt. of India under G.L.E.D.NO.MBC.2153-J. dt. 16-7-53. The non-official organisations to whom the execution of certain schemes therein will be entrusted will have to implement them as per details already finalised. In these circumstances, it is presumed that the Govt. of India will not insist on the resubmission of the schemes by the vol. agencies so far as this State is concerned. The presumption may be got confirmed by the Govt. of India.

4. Govt. may accept the other conditions and ask the Heads of Depts. and the Adm. Depts. concerned with the implementation of the schemes for the welfare of the EX.C.Ts. to see that they are enforced and complied with by the non-official organisations where such schemes are to be carried out through them. Subject to orders, the draft G.R. and the draft letter at pages 3-5C are for approval.

Id/- 30-9-53.

It will also be difficult to enforce condition (f), when the schemes for the welfare of the Ex.C.Ts. were discussed by the B.C. Board, Shri Kakasaheb Berve made it very clear that due to financial conditions and other difficulties it would not be possible for the voluntary agencies to bear their share of the cost for some time. Accordingly our schemes make it clear that the expdr. of

expenditure of the voluntary agencies to bear their share of the cost for some time. Accordingly our scheme will be borne on full-cost basis for some time (vide schemes 1, 4 and 13) The Govt. of India may, therefore, be requested not to insist on this condition for some time.

Sir,

I am directed to refer to your letter No. 51/53
Public dt. 11-9-53, on the subject mentioned above and to
state that the Govt. of Bombay has already forwarded definite
schemes for the welfare of the Ex.C.Ts. in the Bombay State
to be financed from the Govt. of India grant of Rs. 4 lakhs
sanctioned in their letter of even no. dt. 10th April 1953
(vide G.L.E.D.NO.HBC.2153-J dt. 16-7-53). The non-official
organisations will be asked to implement the schemes as per
details already communicated to the Govt. of India ^{where} ~~where~~
schemes will be entrusted to them for execution. It is,
therefore, presumed that it is not necy. on the part of the
non-official organisations to submit the schemes against as
required in sub-clause (a) of para 1 of your letter under
reference. Kindly confirm this presumption. It will also
be ~~difficult~~ difficult to enforce the condition authorised in
clause (f) as desired by the Government of India, the schemes
for the welfare of the Ex.C.Ts. were placed before the
B.C.B.D. It was made clear ^{by} some members of this B.D. the
due to famine conditions and other difficulties it would
not be possible for the vol. agencies to bear their share of
the cost ^{per} some time. Accordingly the schemes submitted by
this Govt. envisage payment of Grant to vol. agencies on full
-cost basis for some time. I am therefore to request you to
advise the G. of I. not to insist on this condition for some
time. Otherwise it would be difficult to have the schemes
executed ^{through} ~~the~~ the vol. agencies.

2.....

As regards other conditions they have been accepted by Govt. and the Heads of Depts. and the Adm. Depts. concerned with the implementation of the schemes are being requested to see that they are strictly enforced and complied with by the non-official organisations. A copy of the resolution No. MNC 2153 dt. 15th October 1953 issued by this Govt. in this respect is enclosed for information.

Appointment of propaganda

According to scheme No:13 accompanying Government Resolution, Education Department, No. LBC 2153 dated 5th September 1953, nine propaganda workers were required to be appointed to work for the welfare of the ex-criminal Tribes ~~residing in Ahmedabad city. According to the Scheme referred to above~~ one of such workers has been appointed by the Gujarat Harijan Sevak Sangh, Ahmedabad, to work among the Ex-Criminal Tribes residing in Ahmedabad city. According to the Scheme referred to above, a worker is entitled to a pay of Rs. 80/- per month (including D.A.) plus T.A. of Rs. 45/- p.m. But, as the worker at Ahmedabad is required to work in Ahmedabad City only, it is presumed that he is not entitled for T.A. at Rs. 45/- per month. Shri P.L. Majmudar, Vice-President of the Gujarat Harijan Sevak Sangh, Ahmedabad, has represented that he has appointed the worker on a pay of represented that he has appointed the worker on a pay of Rs. 125/- p.m. including T.A. He has further stated that the worker will have to make use of bus or cycle or any other conveyance for the purpose of visiting the ex-Criminal Tribes localities daily. He has therefore, requested that suitable grant for the purpose of T.A. on the worker may be sanctioned. A copy of his letter dated 22nd January 1954 is enclosed.

2. It appears necessary to consider the request of Shri Majmudar Sympathetically in view of the large area of the Ahmedabad City in which the propaganda workers are expected to move, in connection with his work. You are, therefore, requested to move Government to allow me to sanction a conveyance allowance of Rs. 15/- p.m. to the worker at Ahmedabad with effect from 14-6-53. i.e his date of appointment. Regarding:- Propaganda worker among
ex-Criminal Tribes.

Sir,

I have received your order No. AM/X/SR-29/1(a) regarding payment of grant for the propaganda worker among ex-Criminal Tribes, at Ahmedabad. As I wrote to you in my letter No: 6204 dated 30-11-53. the appointment of this worker is made for Rs. 125/- p.m. including T.A. and D.A. In your letter No. AM/X/SR-29/1(a) dated 22-12-53, you confirm the appointment of Shri Chandulal as a propaganda worker among Ex-Criminal Tribes, with 80/- as pay, with actual travelling expenditure limited to Rs. 45/-.

Now you are only sanctioning Rs. 80/- thus punishing the Sangh by Rs. 45/- per month, for starting this work, among ex- Criminal Tribes. I hope the Rules will not be observed, so rigidly, and considering that the Sangh has started work, in spite of financial difficulties at your instance, you will sanction suitable grant as T..A.

The Sangh is actually paying Shri Chandulal Rs. 125/- per month. Shri Chandulal may make use of a cycle or a Bus or may make use of any suitable conveyance. But the Sangh is bound to pay and pays Rs. 125/- per month. Kindly find out a way and oblige.

Yours truly,

VICE-PRESIDENT.

P.S. :- While this letter was being typed, I have received subsequent letter No. AM/X/SR-29/1(a) dated 20th Jan. correcting the former letter. I am afraid at this rate it will be difficult for the Sangh to extend its activities in ex-Criminal Tribes if Govt. is not prepared to become fairly liberal. Please reply.

Subject:- Ex-Criminal Tribes
Scheme for the welfare of the ---

According to the orders issued in Government Resolution, Education Department, No. LBC 2153 dated 5-9-53 five Ashram-Cum-Sanskar Kendras and two hostels for the children of Ex-Criminal Tribes have been opened for the during the year 1953-54. Out of the five Ashram cum-Sanskar Kendras, two are run by the Voluntary Agencies and the remaining three are conducted by the District School Boards concerned. The two hostels are being maintained through the District School Boards. The children residing in Ashram cum-Sanskar Kendras and the hostels should be reading in local Primary schools. The Primary schools will be closed during summer vacation and therefore, a point has been raised whether the Ashram-cum-Sanskar Kendras and the children hostels should be closed down and whether the children should be allowed to go to their homes like the inmates in the Backward Class Hostels run by the District School Boards and attached to Primary Schools. In this connection it may be pointed out that according to Govt's policy the Ashram-cum-Sanskar Kendras are to be located away from the localities in which the Ex-Criminal Tribes Settlements existed before. The idea underlying this principle is presumably to keep the children detached from their ^{parents} ~~parents~~ so that they can prosecute their studies in the proper atmosphere. In view of this fact,

(P.T.O).

view of this fact, the Ashram-cum-Sansker^kendras and hostels for Ex-Criminal Tribes stand on a different footing and it is not, therefore, desirable to close them during vacations like the Backward Class Hostels. I have however, issued instructions that the children who want to see their parents in the vacation need not be prevented from going away.

In view of the position explained above, I am asking the Voluntary Agencies and the District School Boards concerned not to close the Ashram-Cum-Sansker Kendras and the hostels for Ex-Criminal Tribes during vacations in anticipation of Government's approval and request that Government be pleased to approve the action taken by this office.

No. BSK.41.

Dated 9-12-1953.

To

The G/Manager, Sholapur Spinning & Wg.
Mills Ltd., (Electrification Deptt.),
Sholapur.

Sub:- Supply of electricity to the
Residential Bungalow of the Kendra
on the addressed mentioned above.

Sir,

Under the state Govt. Education Scheme of starting
'Sanskar Kendras & Ashram Shales' for the ex-criminal tribes
children, 'a Bal Sanskar Kendra' has been started recently,
w.e.f. 1.12-1953, at Sholapur.

The Kendra is a residential one and it accommodates
at present 30 children. It is located in the spacious bungalow
on the above address and the owner of this bungalow is Shri
Narayanrao Kutchen of Sholapur. I need not add here the
necessity of electricity supply in these days to such insti-
tutions doing social work in the field of children's welfare
etc.

There was a Electric Meter & supply formerly to this
Bungalow. But it is reported that the former tenant has taken
away the El. Meter with him and left the bungalow. Now this
Kendra has hired the Bungalow for the purpose. The El.fitting
in the building are still intact. I, have, therefore, to re-
quest you kindly grant us a meter and supply immediately, as
an emergent case, giving almost first top priority, this
being the Institution started for the education scheme of the
State Govt.

Considering the State Govt. Scheme and greater
utility of the Institution which is one of the Educational
Institution doing great social work in the field of children's
Educational & welfare work, I would request you to do the
needful in the matter immediately as an emergent case.

The Collector of Sholapur is the Ex-Officio

One of the schemes to be financed from the grant of Rs. 4 lakhs is the establishment of Bal Sanskar Kendras through voluntary agencies Govt. is anxious to execute the scheme and to utilise the Govt. of India grant to the full. 2. From the o.n. of today's date of L.F.I.
it will be seen that the Govt. of India have
approved the four schemes under consideration
on this file for the purposes of grant-in-aid
The following statement shows the name of the
scheme grant asked for, the grant sanctioned by
the Govt. of India and the conditions subject
to which the grants have been sanctioned:-

Name of the Scheme.	Grant, asked for.	Grant sanctioned by the Govt. of India.	Conditions if any,
1. Opening of two addl - Ashram schools cum Sanskar Kendras - for Ex.C.T. Pupils.	33,000	30,000	No specific conditions have been attached. But in the case of the existing scheme, the Govt. of India have suggested that instead of the Kamathi and Kitchen servant one full time Supdt. on Rs. 125/- p.m. should be appointed and that the vol. agencies should be allowed to adjust the expdre. on the item.
2. One hundred sets of special scholarships for Ex.C.Ts pupils in primary schools.	10,000	10,000	Nil.
3. Opening of 2 addl. hostels for pupils belonging to Ex.C.Ts.	14,000	5,000	Nil.
4. Discretionary grant with the D.B.C.W. for the supply of clothes to EX.C.T. pupils.	10,000	10,000	Instead of clothes spinning wheels should be given.

3. As regards scheme No. 1, the suggestion
made by the Govt. of India may be accepted.

Though the grant sanctioned by the Govt. of

Govt. of India is a little less than the amount asked for, the total expenditure on the scheme may not exceed the amount of grant-in-aid sanctioned by the Govt. of India because three months have already elapsed and it may take some time until the voluntary agencies actually start the execution of the scheme. Govt. may therefore sanction the scheme without further modification subject however to the conditions suggested by the Govt. of India.

As regards scheme No. 2 the Govt. of India have approved the scheme in toto and the same may be sanctioned without any modification.

As regards scheme No. 3, the Govt. of India have reduced the grant from Rs. 14,000 to Rs. 5,000/- It will not therefore be possible to open two additional hostels for ex.C.T. pupils as originally contemplated. The grant-in-aid sanctioned will not be sufficient even for one hostel for 30 pupils for 12 months. The voluntary agencies may be paid grants in aid at Rs. 20/- p.m. per pupil for a period of 8 months with effect from 1st August 1954 or the date of actually starting the hostel whichever is later. The cost will be about Rs. 4800/- Subject to this modification the scheme may be approved.

As regards scheme No. 4 the suggestions made by the Govt. of India may be accepted and the scheme may be sanctioned subject to that condition.

4. Subject to orders the draft G.Rs. at p. 21 & 231/c may issue after u.o.r. to the F.D.

5. The proposal made by the D.E. in his letter at p. 29/c is reasonable and may be approved. The draft letter and endt. at p. 33/c may ^{also} ~~also~~ issue.

Id/- 27-8-1954.

Id/- 21-7-1954.

This was discussed by M (B.C.D.) with the Commissioner for SCs & S.T.s on 22nd & 23rd July 1954, The reduction of Rs. 3,000/- made in the Ashram school scheme is slight and was accepted. Now that nearly, 4 months of the current year have passed by it will not be difficult to accommodate the expdr. within the sanctioned amounts. Orders sanctioning the Ashram school-cur-Sanskar kendras may come as proposed. Similarly orders sanctioned scholarships and discretionary grant may ¹⁸⁴⁶ ~~come~~ as proposed. The Govt. of India has not made any reduction in these schemes. As regards opening of ^{addl.} ~~2nd~~ hostels, the Commr. has suggested the opening of one hostel. The average cost of a non-Govt. hostel for 12 months is Rs. 7200 (30x12x20) . The Commr. has accordingly ~~arr~~ to raise the grant to Rs. 7000 . A representation to this ^{effect} ~~effect~~ is being made ^{on} ~~our~~ L.F.I. Now that 4 months of the current year have already passed by, it may not ^{be} difficult to open one hostel within the grant of Rs.5000 sanctioned by the Govt. of India. Thus even if the Govt. of India do not raise the grant, it would still be possible to open one ^{G.R} ~~addl.~~ hostel. The proposed by ~~at~~ p. 31/c may issue.

2. The Govt. of India have not made any reduction in the grants proposed for the Schemes mentioned at (2) and (4) on page ^{Sanke} ~~sent~~. As re. scheme No. (1), the Govt. of India have sanctioned a grant of Rs. 30,000 only against Rs. 33,000/- asked for. The E.D. has stated that as nearly 4 months of the current financial year have already passed by, it will be possible to accommodate the expdre. within the reduced grant in view of the reduced grant agreed to by the Govt. of India the E.D. may be requested to substitute the figures of Rs. 40,000 and Rs. 30,000 in place of figures of Rs. 43,086 and Rs. 33,086 in para 2 and 4 respectively of the draft orders on rate 21 c/s.

3. As regards scheme No. 3 on page 5 ante, the Govt. of India have agreed to sanction a grant of Rs. 5,000/- only against Rs. 14,000 asked for by this Govt. for 2 additional hostels. The Education Department has therefore proposed to open only one ~~additional~~ hostel, and as four months have already elapsed, the E.D. considers that it will be possible to restrict the expdre. Within the reduced grant agreed to by the Govt. of India. In view of this, the draft orders proposed by the E.D. at pages 31-33 may also be agreed to.

Scheme No. II

Heading Opening of an additional hostels for the pupils belonging to the Ex-Criminal Tribes.

Estimated Cost. Rs. ~~44,400/-~~ 7200/-

Description For the educational advancement of Ex-criminal Tribes on proper lines it is necessary to provide adequate facilities to the pupils belonging to Ex-Criminal Tribes. The underlying idea is to detach the pupils from their parents so that they can prosecute their studies in proper atmosphere under the guidance of an able hostel, superintendent. Government has already decided to start 5 such hostels 1 in Gujarat, 2 in Maharashtra and 2 in Karnatak during the year 1953-54. This is a useful measure and it is proposed to expand the scheme by starting one more hostels exclusively for the pupils belonging to Ex-Criminal Tribes during the year 1954-55. The hostels will be started through the voluntary agencies ^{for a} as possible. ~~If reliable voluntary agencies as far as possible~~ If reliable voluntary agencies do not come forth to undertake the responsibility it is proposed to start the hostel through the District School Board. The hostel will cater for 30 pupils and will be started at a place where Ex-criminal Tribes are found in large numbers. It is proposed to pay grant at the rate of Rs. 20 per month per pupil admitted to the hostel in the initial stages. The cost of a hostel is estimated at Rs. 7200/- (30x20x12). If the hostel is opened through the District School Board, the cost of the two hostels would be Rs. 8,840/- for a hostel of 30 pupils.

2. Due to trade depression and unsatisfactory financial position of the voluntary agencies it is difficult for them to bear any share of the expenditure of the hostels from their own sources. It is therefore proposed

SCHEDULED-A

Heading	Opening of Ashram Schools-cum-Sanskar Kendras for Ex-Criminal Tribes.
Estimated cost	Rs. 33,206/-
Description	Some of the reasons why the progress of education among the Ex-Criminal Tribes is very slow are that there are very few good teachers from these Tribes who are prepared to take the course of their education with a missionary zeal and that there are very few good leaders to guide them properly. It was therefore decided to start 5 Ashram Schools-cum-Kendras during the year 1953-54 for the benefit of Ex-Criminal Tribe pupils where they would be given sound and intensive Basic Education for the full primary course with the object of turning out good teachers and leaders. This is a good scheme and it is proposed to open two additional Ashram Schools-cum-Sanskar Kendras for the benefit of these Tribes during the year 1954-55. The Ashram Schools will be opened through the voluntary agencies as far as possible at places where ex-Criminal Tribes are residing in large numbers. If reliable voluntary agencies do not come forth to take up the responsibility, it is proposed to open the Kendras through the District School Boards or Municipal School Boards concerned. The Ashram Schools-cum-Kendra will have three sections as follows:- (A) <u>School</u>. The school will cater for about 30 pupils during the first year. Admission to the schools will be restricted to the pupils whose age is 6 plus or more. Simple crafts like kitchen gardening and spinning will be taught in the initial stages..

(P.T.O)...

(B) Hostel.

There will be a hostel attached to the school where boarding and lodging will be provided free of charge.

(C) Sanskar Kendra.

Each Ashram School will have a Sanskar Kendra where these communities can be trained to understand and recognise their obligations to the Society by means of properly organised programmes of recreation and social activities. Such community Centres or Sanskar Kendras are reported to be functioning very successfully in Saurashtra.

2. The cost involved in the opening of these Kendras is estimated at Rs. 33,206/- during the year 1954-55 as detailed below :-

2. Last year's schemes for the welfare of the Ex-Criminal Tribes were neither carefully drafted, nor was proper diligence exhibited in executing them. As will be seen from these papers, it was proposed to convert certain schools in alleged Ex-Criminal Tribes localities into Basic Schools, the Ex-Criminal Tribes had left the localities. The L.S.G. and P.H.D. has separately reported that a scheme for providing water facilities in certain Ex-Criminal Tribes localities was prepared the adequate facilities and exist in these localities. Similarly it was proposed to open hostels for Ex-Criminal Tribes in certain places. ~~though~~ The Ex-Criminal Tribes had left these places. I propose to take a brief resume of the ~~inferno~~ implementation of these schemes separately. It may be necessary to call for explanations of the concerned officers in the matter.

Reference Government Letter, Education Deptt.
No. MEC 2154/17414-J dated 11th June 1954.

The old settlement schools at Gadag and Bijapur were included in the list of five schools selected for conversion into Basis schools according to the scheme No. 3 (vide Government Letter, Education Department, No. MEC 2153-J dated 16th July 1953 addressed to the Secretary to the Government of India, New Delhi).

It was reported by the respective Administrative Officers of the Municipal School Boards, Gadag and Bijapur that the old settlement schools, were not attended by the children of the Ex-Criminal Tribes who left the locality. The Director of Backward Class Welfare was, therefore, requested to suggest names of some other schools for conversion into basic schools. As for the school at Bijapur, information from the Director of Backward Class Welfare is still awaited. The Director has been reminded to send his reply.

With regard to the school at Gadag, the Director of Backward Class welfare informed this office that the report of the Administrative Officer, Municipal School Board, Gadag was not correct and that the families of the Ex-criminal Tribes could be persuaded to send their children to the school.

(P.T.O.)

The Educational Inspector, Dharwar was then approached with a request to ascertain which of the above two reports was correct.

On receipt of the report from the Educational Inspector, Dharwar, the Administrative Officer, Municipal School Board, Gadag has been instructed to submit revised proposals for the introduction of craft in the school.

On receipt of the necessary information from the Director of Backward Class Welfare and also from the Administrative Officer, Municipal School Board, Gadag, I shall address Government further in the matter.
